Attention to detail

PROFILE

As a front-end developer focused on web development, I hold a B.Tech degree and have 7 months of experience. I continuously hone my skills in creating visually appealing and user-friendly websites, while staying updated with the latest web technologies. Aiming to contribute to a dynamic team, I am eager to collaborate on challenging web projects and deliver impactful web solutions through my quick learning and problem-solving skills.

WORK EXPERIENCE

Flutter Developer Intern

Tradexa Technologies pvt.limited.

Jan 2022-July 2022

- As a Flutter developer, I developed mobile apps from scratch and successfully released them on both the Play Store and App Store.
- Implemented best practices in code quality, performance optimization, and user interface design.
- Collaborated with team members and stakeholders to gather requirements and implement desired features.
- Maintained and provided ongoing support for previously released apps on the Play Store.
- Conducted regular testing and quality assurance to maintain app performance and user satisfaction.
